

# Hi, I'm Miguel,

great pleasure! I am constantly committed to learning and growing, especially when it comes to areas related to **creation!** I developed skills to efficiently design and style interfaces (landing pages) and **creatives** for marketing (cards, stories, carousels, graphic materials in general).

I value **teamwork** and value **organization** at all stages of the process. I am always looking for new challenges and opportunities in this fascinating area of design.
